

## Digitaler Messschieber für Außennuten / Innennuten

### Digital caliper for outside/inside groove

#### AUSFÜHRUNG

- Auflösung: .0005" / 0.01mm
- Misst Außen- und Innennuten
- Zoll/metrisch
- Nullstellung bei jeder Position möglich

#### STANDARD ZUBEHÖR

- Batterie
- Garantiekarte, Bedienungsanleitung, Prüfschein

#### FEATURES

- Resolution: .0005" / 0.01mm
- Measures external and internal grooves
- Inch/metric conversion
- Zero-setting at any position for incremental measurement

#### STANDARD ACCESSORIES

- Battery
- Warranty card, instruction manual, test certificate

#### TECHNISCHE DATEN / SPECIFICATIONS

| Messbereich                          | Genauigkeit | Best.-Nr. |
|--------------------------------------|-------------|-----------|
| Range                                | Accuracy    | Code No.  |
| <b>Außennuten / external grooves</b> |             |           |
| 0-150mm                              | ±0.03mm     | 309-06-3  |
| 0-200mm                              | ±0.04mm     | 309-08-3  |
