# Swivel Calipers

## Series 536

These vernier calipers have a swivelling jaw. They offer you the following benefits:

- You can rotate the moving jaw to measure sectioned shafts.
- With depth bar.

536-212

## Metric

No.	Range [mm]	Accuracy	Graduation	Mass [g]
536-212	0-200	±0,05 mm	0,05 mm	190
